

Provincial/National Team Selection Process

Currently, the OJA participates in the National Team Selection Process.

Based on the current National scope of the Sport – the National Tournament is generally held in Ontario and the majority of athletes are Ontario athletes.

Athletes that win Gold Medals at the yearly Provincial Tournament are considered members of the “Provincial Team” and are given entry to the Annual Canadian Jiu-Jitsu Association National Championships.

The National Team is then selected for the JJIF World Championships (in eligible divisions) as follows:

- Gold Medalist and Silver Medalists for each JJIF World Championship eligible division are invited to be members of the National Team.

National Team Coaches are selected by the Canadian Jiu-Jitsu Association (NSO) Board of Directors.
